Speaker, Writer & Ministry Leader

Cindy brings 38 years of experience in church and parachurch ministry leadership in both the civilian and military sectors. Now, she is sharing her life adventures and practical wisdom with Christian women through her speaking and writing ministry. As a veteran military wife and two-time cancer survivor, she can speak authentically about the faithfulness of God. Cindy's 50-year walk with Christ and her passion for teaching the Bible inspire her to help women find their God-given identity, build steadfast faith, and thrive at every stage of life.
